

Bible Tracts, Inc. – Tract Order Form

Thank you for contacting us. We do want to send out tracts to help people come to salvation through Jesus Christ. However, because of the many false gospels and religious cults, our policy is to require additional information from all who request tracts before we supply them. This way we do not mistakenly approve or supply false teachers. Our desire is to be the best possible stewards of the tracts God has entrusted to us. This additional information helps us accomplish that.

Our ministry’s purpose is to distribute our own Gospel tracts, and WE AREN’T ABLE TO PROVIDE MONEY, CLOTHING, BIBLES, CORRESPONDENCE COURSES OR ANY OTHER LITERATURE. Spiritual problems or requests for counseling should be directed to a pastor or missionary from a Bible-preaching church in your own area.
